

Employment Opportunities

Join Our Team at

Immediate positions available at our Myerstown and Quarryville locations.

Ag Equipment Installation & Service – This position will include on-farm installation and service, maintenance of livestock housing, and material handling equipment. This person will need to be self-motivated, willing to work with the team, and willing to expand his knowledge in mechanics and electronic controls. An agricultural background is helpful but not necessary. Training will be provided.

Any questions, or to request a job application, you're welcome to stop by either location, or contact one of the following.:
