

We're Hiring!

Looking for a job that pays you well for your industrious work ethic, that gives opportunity for advancement and that brings satisfaction from knowing you've given a customer a quality job?

Employment at [Weaver Insulators](#) of Myerstown offers all this and more. We are looking to hire **full-time insulation installers**. We do residential, agricultural and commercial work. You will be working primarily with blown cellulose insulation and fiberglass batts. This work will take you to a new job site almost every day. Travel time to and from the job site is paid. Overtime and Saturday hours are available.

Benefits: Paid vacation • Paid holidays • Healthcare • Performance bonus • Retirement plan
• Sign-on bonus

Character traits we value: Motivated • Honest • Reliable

Desirable skills (not required): Previous insulation installation experience • Class A or B CDL

This Job Is open to applicants who do not have previous insulating experience. **We are willing to train if you are motivated to learn!**

Please contact Lynford Gehman to **set up a 10-minute phone interview** to answer your questions regarding pay, type of work etc.
